# WELCOME TO MILITÆRTEKNIKK

– THE LEADING MAGAZINE  
ON MILITARY TECHNOLOGY  
IN SCANDINAVIA.

With more than 7.000 readers, Militærteknikk is appreciated by officers and professionals inside the armed forces (Army, Navy, Air Force) in Norway, Sweden, Denmark and Finland, as well as managers and professionals in the Scandinavian defence industry, government agencies and organisations.

As an advertising channel towards the Scandinavian armed forces, Militærteknikk have no comparison when it comes to spread, editorial quality and target market.

Welcome as an advertiser during 2021!

With kind regards,

Patrik Irmér
